## H.R.1369, the Peace on the Korean Peninsula Act

### What the bill does:

- Calls for serious, urgent diplomacy in pursuit of a binding peace agreement to formally end the Korean War.
- Requires a report from the Secretary of State describing a clear roadmap for achieving a permanent peace agreement on the Korean Peninsula.
- Expresses the sense of Congress that the Secretary of State should seek to enter negotiations with North Korea to establish liaison offices in each country's capital.
- Requires the Secretary of State to conduct a full review of the travel restrictions to North Korea and submit a report to Congress outlining qualifying criteria for exemptions to the restrictions — specifically for those wishing to return to North Korea for family related events.
